

# Join the Ram Club

The Ram Club—Berkner’s Booster Club—is a non-profit organization dedicated to supporting sports and spirit at Berkner High School. Our goal is to provide funding beyond the district’s allocations, which enable these programs to enrich the high school experience of our student athletes as well as students in associated programs.

Our contributions are made possible by fundraising through advertisement sales for the fall Football Program, Membership dues, Berkner merchandise (Green Sales), and corporate donations. Your Ram Club membership provides you with a decal for your car and a refrigerator magnet with the Ram Varsity football schedule. A portion of your membership dues includes a donation to the scholarship funds.
